From all of us at Veolia Water Technologies,
we wish you and your family a
happy and healthy holiday season.

Veolia group is the global leader in optimized resource management. With over 169,000 employees worldwide, the Group designs and provides water, waste and energy management solutions that contribute to the sustainable development of communities and industries. Through its three complementary business activities, Veolia helps to develop access to resources, preserve available resources, and replenish them.
